

KEPC Bill Tracking January 12, 2018

Here's our latest bill tracking on measures we think are of interest to our readers. All of these bills are held over from 2017. As new bills of interest are introduced, I will add them to the list.

You should be able to click on the bill number and be taken to the Kansas Legislature's web site page for that particular bill. You will be able to see all actions taken, read the bill, and read any supplemental notes (layman's descriptions) and fiscal notes (how much does the bill cost the state) that have been prepared.
